Letter no 5437 Dy 10-11-47 from the Chief Engineer for roads & Buildings stating that in view of the heavy Excess Cost that would be involved in the event of the accepting the higher rates quoted by the tenderer, the work relating to the execution of IV Stage Drainage work in Hassan Town may be allowed to be over hile the Cost of materials & Labour are more favourable & that the deposit of Rs 10,000/- made by the Mcf in 1942 & 1943 be refunded

Though the estimate for the Construction of IV Stage Drainage in Hassan Town is for Rs 11,190, tenders were only called for the portion of the work costing Rs 9,772 and one Mr B S Sethuramma Iyengar has come forward to execute the work at 150 per cent above the sanctioned estimated rates & that the excess over the sanctioned amount as per Quotation will amount to Rs 16,492 after taking the cost, Tools & Plant & other miscellaneous Charges into Consideration

In the circumstances ~~The Dy~~ the Chief Engineer is of the opinion that the tender of M/s Sethurama Iyengar may be rejected, that the work may be over like the cost of materials & Labour are more favourable & that the deposit of Rs 10,000/- made by the M/s be refunded

V submitted for orders with the previous file

WKB 27/11/43 The opinion of the Hassan Municipal Council and of the Deputy Commissioner may perhaps be obtained also before the rejection of the tender and the postponement of the work are decided upon } A

Pr. 23-11-43 4 for reasons stated by the C.E in R.P.B, the tender for the work may be rejected, being 50% over the sanctioned estimate & the work may be re-advertised under more favourable conditions are restored, although it is difficult to foresee how soon such a day will appear. The acceptance of the tender would mean that the work cannot be done economically

The amount of deposit of Rs 10000/- made by the Hassan Municipality on this behalf may also be refunded, as it might be utilized by the Municipality for some useful & urgent purpose

Points for orders are :—

1) whether as requested by the Hassan Town Mcl in their resolution dated 29/5/48 the sum of Rs 10000/ deposited by them towards the executing of the IV stage of the Drainage work may be refunded to them. This is supported by the CE & RDS

may be done
22/3/49

2) whether the Hassan Town Mcl may be permitted to have the work executed thro' the departmental agency. The CE & RDS considers that the speedy completion of the work would thereby be ensured but the Govt are not in favour of it and wants it to be executed thro' the Sanitary Engineer. All the three stages of the Drainage

were have been covered by the Bureau of Statistics but might that the IV stage of the work should be attended to by that Department alone ~~for orders~~ -

It is better that the work is carried out by the Statistical Bureau

LSG BRANCH

Sir,

Subject Construction of IV Stage Drainage in Hassan Town

With reference to your letter No L 8558/ML dated 1-9-1947 on the above subject, I have the honour to state that it is reported by the Sanitary Engineer that there was no response to the tender notified in the Gazette for the fourth time and, therefore, Quotations for the work were called for by the Assistant Engineer, Hassan In response, only one quotation from Mr B S Sethurama Iyengar of Hassan offering to execute the work at 150% above the sanctioned estimated rates has been received

2 The estimate for the IV stage work as sanctioned amounts to Rs 11,190/- and the work portion for which Quotations were called for amounts to Rs 9,772/- The excess over the sanctioned amount asper Quotation will amounts to Rs 16,492/- after taking the Establishment, Tools and Plant and other miscellaneous charges into consideration

3 In view of the high rates quoted by the tenderer and the large excess that would be involved in the event of the acceptance of the tender, I am of the opinion that the only quotation now received may be rejected and the work allowed to lie over till the cost of materials and labour are more favourable

4 The amount of Rs 10,000/- deposited by the Hassan Municipality in the years 1942 and 1943 towards the work, will if approved, be refunded to the Hassan Municipality as the execution of the work will have to be delayed for the reasons stated above

I have the honour to be,
Sir,
Your most obedient servant,

Chief Engineer for Roads
and Buildings

MUNICIPAL BRANCH

Sir,

Re the construction of IV Stage Drainage in Hassan Town

With reference to your letter No L 11445 dated 3-12-1947 calling for the opinion of the Municipal Council re the postponement of the construction of IV stage drainage work at Hassan on account of high quotations over the sanctioned amount or re refunding the deposit amount of Rs 10,000/- to Hassan Town Municipality, I have the honour to forward herewith a copy of ~~it~~ resolution of the Municipal Council dated 29-5-1948 agreeing to execute the work through their own agency since there is a Sub-overseer of the P W D. working in this Municipality and that the amount deposited may be refunded to the Municipality The execution of drainage works costing more than Rs.1,000/- is generally undertaken by the Sanitary Department since it is a Sanitary work The construction of drainage in Hassan Town is an urgent necessity and it is for kind orders of Government to permit the Municipality to take up this work though their own agency since a technical Sub Overseer is employed by them Even then the Municipality has to call for tenders and if the quotations are not favourable, the work has to be taken up by the Municipality itself to ensure its speedy completion

I have the honour to be,
